## OCEANOGRAPHER DEVIL DIVER COLLECTION

Bulova's eye-catching Oceanographer men's timepiece is a perfect blend of function and sport style. This is a modern take on a classic dive timepiece, and is sure to make a statement.

- The watch features a stainless steel case and fine Miyota automatic movement.
- It also has a rotating bezel, and a calendar function.
- ISO 6425 Dive watch certified, with water resistance up to 200 meters with a screw-down crown.
- It is topped with a domed sapphire crystal for the perfect finish.

### SETTING THE TIME

- Unscrew the crown and then pull it out to the 2nd position, **C**.
- Turn the crown to set hour and minute hands.
- Push crown back in and then screw back into case to the Normal Crown Position, **A**, to ensure optimal 200M Water resistance.

### SETTING THE DATE

- Pull the crown out to the 1st position, **B**.
- Turn the crown counter-clockwise to set the date.  
\* If the date is set between the hours of around 9:00 PM and 1:00 AM, the date may not change the following day.
- After the date has been set, push in and screw the crown back into the Normal Crown Position, **A**.
