

BULOVA

ARCHIVE SERIES HACK WATCH COLLECTION

Inspired by Bulova's military heritage and vintage watches of the time, the Hack Watch infuses historical elements for a contemporary lifestyle.

- The updated style features a three-hand 21-jewel automatic movement with a 42 hour power reserve
- The stainless steel case with an ivory dial and luminescent hands and markers also features a center track on the dial displaying 24H time
- Black leather NATO strap
- Domed mineral crystal
- Water resistance to 30 meters

SETTING THE TIME

- Pull the crown out to the 2nd position, **B**.
- Turn the crown to set hour and minute hands.
- After the time has been set, push the crown back to the Normal Crown Position, **A**.

WINDING THE MAINSPRING

Automatic winding watch can also be hand wound by turning the crown clockwise in Normal position. Wind several times clockwise. It will start to move naturally.
